GENERAL OFFERING LIST

TROPICAL PLANT MATERIAL

DISH GARDEN PLANTS

CACTUS • SUCCULENTS

NOVELTY BULBS

1170 BROADWAY • NEW YORK 1, N. Y.

Murray Hill 5-9377 Cable Address: LOUDANK, N. Y.

We have compiled a list of the most popular and best moving varieties of Plants, bulbs and seeds, that are available for delivery now and in the near future.

We have made every effort to obtain the very best quality stock for you, at the lowest possible price. We feel you will be pleased with the material you receive. Let us have your list of requirements. We assure complete satisfaction with our service.

Do not fail to look over the list of bulbs, Fancy-Leaved Caladiums, Gloxinias, Tuberous Rooted Begonias and other items used by every grower and retailer with growing facilities. Let us have your inquiries.

Look this list over carefully, and let us have your order NOW for whatever stock you need immediately; also, your anticipated requirements.

SPECIAL NOTE

We encourage the placing of orders for your anticipated yearly requirements to be shipped on a schedule basis.

This gives you an opportunity to increase your business by preventing your stock of popular and fast selling varieties from being depleted. It is also an assurance of getting a supply of items regularly which may be scarce and hard to get.

It is an essential and advantageous step in supplying the constant increasing demand for

NOVELTY FOLIAGE PLANTS

and other material of this nature, since these are being featured by all interior decorators in the building and decorating pattern of every home or business structure.

We welcome the opportunity of discussing this with you.

PRICES: All prices are F.O.B. source of production and on imported material F.O.B. port of entry.

TERMS: 2% 10 days, net 30 days, to those of approved credit. Cash with order where no credit rating is available.

IMPORTANT: All precautions are taken with regard to following the rules of transit regulations to prevent losses due to damage. THEREFORE, in the event of losses and damage due to transit conditions, it is necessary and imperative that the consignee obtain a bad order report immediately from the carrier in order to file claim for the damage.

We give no warranty expressed or implied as to the productiveness, descriptiveness, or reversion other than the value of goods in question, nor are we responsible for damage while goods are in transit.

Quoted prices are subject to change without notice due to market fluctuations. In the instances where no price is quoted, the market price will prevail at the time shipment is made.

In the case of Rooted Cuttings, Unrooted cuttings, Seedlings and Transplants, the minimum order is 100 of a variety or size.

250 of a variety or size charged at the 1000 rate except where noted.

PLANTS originating from PUERTO RICO F.O.B. N.Y.
unless otherwise noted or other arrangements made.

GLOXINIAS

These bulbs are of the finest quality grown. They are grown in new clean leafmold and pass rigid inspection abroad where they are produced. by the U.S. Department of Agriculture Inspectors to assure that only the best disease-free bulbs are allowed to be exported for United States trade. We have a good selection of the best commercial varieties. Delivery from mid-November through February 15th.
